**Nationwide
After-Sales Service**

Have your Promate® handled by authorized Promate service centers and technicians nationwide.

**Nationwide
Distribution**

Purchase your Promate® from over 100 authorized distributors all over the Philippines!
*1-year Limited Warranty!

**Responsive
Customer Service**

Promate® keeps an open line of communication to everyone. Contact us via landline, social media and our website.

HOW TO CHOOSE THE RIGHT GENSET:

Most equipment and appliances need a surge of watts for start-up. This surge can be estimated between 1-6 times the rated power of appliances. To make sure you choose the right generator, go through these steps:

1. Identify the items you want to run.
2. Calculate the total surge watts required for all items.
3. Select a generator that exceeds your total surge watts.

For sales, call (02) 650 6147 / 914 7287 (Manila) / +(082) 287 2312 (Davao)
For service, call (02) 628 1050 / 641 8800 | Visit www.promate.com.ph now for more details!
